

Arkansas Pathology Associates, P.A. is seeking a dedicated pathologist to join our growing team. Based in Little Rock, our pathologist-owned anatomic pathology lab provides essential diagnostic services to clinics, hospitals, and patients across the state.

Why Choose Arkansas Pathology Associates?

- **Local Roots, Regional Reach:** We have proudly served the Arkansas medical community for decades.
- **Opportunity for Business Ownership:** Work alongside top medical professionals in a rewarding, collaborative setting, participating in decisions that affect our business and services.
- **Excellent Support:** Our state-of-the-art facilities ensure you have the tools needed for accurate diagnosis.
- **Competitive Salary and Benefits:** Comprehensive package includes professional liability coverage, Paid Health, Vacation, 401k, and Generous CME Allowance.

Qualifications We Are Looking For:

- AP/CP Board-Certified or Board-Eligible Pathologist.
- Active (or Eligible to obtain) Arkansas medical license.
- Unrestricted eligibility to work lawfully in the United States (J-1 Visa Sponsorship not available).
- Commitment to quick and accurate patient results.
